## Career Objective

With years of experience in the corporate technology field, have worked with different teams in serving local and international clients through software engineering, to digital marketing, development of conversion-led websites and automated sales funnels.

## Additional Skills

- Design Thinking
- Project Management Skills
- Critical Thinking
- Communication Skills
- Digital Marketing

## Work Experience

July 2017 - July 2018

Accenture Inc.  
Full-time

### Associate Software Engineer

- As a SAP Business Intelligence Consultant, I was in charge of system support through monitoring daily data loads, fixing system error, data extraction, transformation, and loading from SAP and non-SAP source systems into SAP BI.

July - October 2019

Key Innovations Inc.  
Full-time

### Web and Software Developer

- Key Innovations Inc. was a start-up company, and I started as a one man team in developing a Loan Calculator mobile app for trucks and vehicles, and then later on joined a team in developing and maintaining several websites with back-end admin portal and booking features.

October 2019 - May 2021

Fligno PH / Ad On PH  
Full-time

### Web Designer and Developer

- Specialized in quick turn-over of excellent quality assurance tested websites. Each of us developers from the team handles 2-3 websites per month. We custom-design the wireframes on Figma before building them on WordPress with Beaver Builder.

November 2022 - July 2023

Her Funnels LLC  
Contractor

### Project Coordinator, Web Designer and Developer

- Responsible of designing website assets for the agency's clients, designing wireframes and mockups on Adobe XD, building and automating funnels on Kajabi, WordPress, and Showit.

September 2021 - Present

Love, June Studio  
Founder

### Creative Director and Email Marketing Strategist

- Worked with coaches and creatives in building their automated sales funnels, high-converting websites, and email marketing.

## Education

2013 - 2017

Xavier University - Ateneo  
de Cagayan

### Bachelor of Science in Computer Science

Dean's Lister and Organization Group Leader

## Certifications

January 2021

Become a UX Designer from Scratch  
The Interaction Design Foundation

August 2017

SAP Business Intelligence Bootcamp  
Accenture Inc.
